

# Teacher's Edition Contents

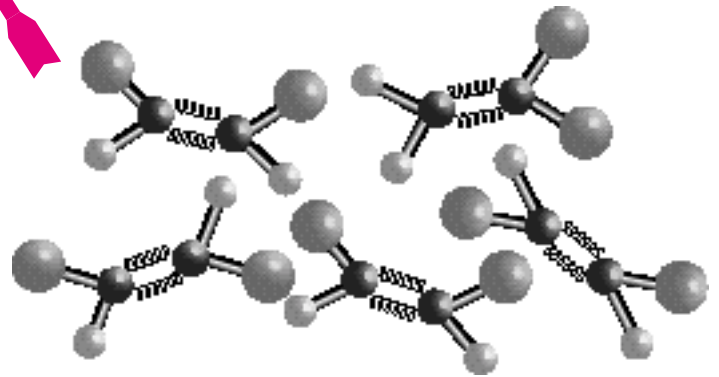

<b>Introduction</b> .....	<b>T4</b>
<b>Meeting Education Standards</b> .....	<b>T6</b>
<b>Other Materials World Modules</b> .....	<b>T9</b>
<b>Using the World Wide Web</b> .....	<b>T10</b>

## USING YOUR SMART SENSORS MODULE

Background on Smart Sensors .....	T12	Adapting the Modules .....	T26
Connecting to Your Curriculum .....	T16	Inquiry and Design in the Classroom .....	T28
Module Overview .....	T17	Assessment Options .....	T30
Module At-a-Glance .....	T18	A Note About Safety .....	T32
Using the Activities and Design Projects .....	T20	Resources on Smart Sensors .....	T32
Flexibility of Use .....	T24		

## ACTIVITIES

Activity 1 Planning Guide .....	1A
<b>Activity 1</b> .....	<b>1</b>
Activity 2 Planning Guide .....	4A
<b>Activity 2</b> .....	<b>6</b>
Activity 3 Planning Guide .....	10A
<b>Activity 3</b> .....	<b>12</b>
Activity 4 Planning Guide .....	16A
<b>Activity 4</b> .....	<b>18</b>
Activity 5 Planning Guide .....	28A
<b>Activity 5</b> .....	<b>28</b>

## DESIGN PROJECTS

Design Project 1 Planning Guide .....	37A
<b>Design Project 1</b> .....	<b>37</b>
Design Project 2 Planning Guide .....	41A
<b>Design Project 2</b> .....	<b>41</b>

## APPENDIX

### Minipedia

How a Motion Detector Works .....	A2	Varieties of Piezoelectric Materials .....	A16
Everyday Uses of Piezoelectric Film .....	A3	Piezoelectricity and Biology .....	A19
The Physics of Smart Sensors .....	A6	Medical Application of Piezoelectric Sensors .....	A21
The Chemistry of PVDF Polymers .....	A11		

<b>Black-Line Masters</b> .....	<b>A23</b>
---------------------------------	------------

<b>Index</b> .....	<b>A45</b>
